The little penguin from My Puffer Train is having a wonderful time hopping and skating about the house. "Please be quiet," his mother tells him, "The baby is sleeping." But it is very hard for a little penguin to keep still, and finally mother penguin sends him outside where he finds all sorts of noisy things to do with his animal friends. When the little penguin comes back inside to play, he finds a clever way to have fun and keep quiet. Filled with bright colors and familiar activities and language, this warm, reassuring book is perfect for toddlers at bedtime or anytime.
