It's nighttime at the zoo. The animals are all asleep. All is still, until...Beebeebobbibobbi; Beebeebobbibobbi; Beebeebobbibobbi; The baby beebee bird, new to the zoo, is singing his song All Night Long! Until, that is, the other animals come up with a plan to teach the baby beebee bird that nighttime is really best for sleeping - especially for little birds. The Baby BeeBee Bird, originally published in 1963, has been a favorite of readers for generations. In this newly enlarged and full-color edition, Diane Redfield Massie's delectable story has been lovingly reillustrated by the award-winning Steven Kellogg, creating a captivating bedtime story that is just as much fun as a visit to the zoo!
