著者:Barton, Byron

出版者:Harpercollins Childrens Books

出版时间:1997-1

装帧:HRD

isbn:9780694009985

"[With] bold and brightly colored paintings, The Three Bears [have] seldom looked better. Recognizing that the tale's youngest fans focus on its core, Barton distills it to a bare outline and the rhythmic refrains [they] love to hear. This is a celebration of their literary needs and a huge success in meeting them. Its success is virtually guaranteed as a story-time crowd-pleaser." —SLJ.
