出版者:Lerner Pub Group

出版时间:

装帧:LIB

isbn:9781575052403

Picture the American Past uses short, simple text linked to large historical photographs to bring to life the unique ways in which children lived and worked in an earlier era. Supports the national curriculum standards Culture; Time, Continuity, and Change; Individual Development and Identity; and Individuals, Groups, and Institutions as outlined by the National Council for the Social Studies. The entire Picture the American Past series is available on Accelerated Reader.
