Grandpas Are for New Adventures is all about the fun things children do with their grandpas. Grandpas know all about butterflies, snails, and computers. They have great ideas for new adventures (like trips to the zoo) and games (like dress up and hopscotch). Grandpas Are for Finding Worms is all about the special things grandpas do. Grandpas know where to find the best worms for fishing. They're great at making things, like bookshelves, burgers, and funny faces. These adorable lift-the-flap books are perfect the perfect tribute to the love between children and their grandparents.
