Most slaves lived desperately hard lives, working from sunup to sundown, with few comforts. Yet despite their surroundings, they made homes of what they had. Holding fiercely to their African heritage while adapting to the customs of their strange new

land, these first African-Americans handed down a legacy of perseverance and strength. The everyday life of plantation slaves is detailed in text and haunting photographs of recently excavated plantation sites, giving immediacy to the lives of enslaved Africans while paying tribute to the daily courage of a people who endured against all odds.
