

Grandfather Twilight

[Grandfather Twilight_下载链接1](#)

著者:Barbara Helen Berger

出版者:Paperstar Book

出版时间:1996-11

装帧:Paperback

isbn:9780698113947

Young children will be reassured by the gentle, glowing figure of Grandfather Twilight, whose nightly walk through the woods signals the onset of night and whose special task each evening is to place the moon in the sky. Perfect for bedtime sharing, the luminous illustrations enhance the warm serenity of the text. Full color.
