The Ride of Our Lives is the humorous yet deeply moving account of NBC journalist Mike Leonard's cross-country odyssey with his eccentric parents, three grown children, and a daughter-in-law. Full of ups and downs, laughs and tears, the month-long journey becomes a much larger tale of hope, persistence, and valuable lessons learned along the way. A celebration of the ties between parents and children, as well as the unforgettable community of people one can meet across America, The Ride of Our Lives is an inspiring narrative of self-discovery and self-fulfillment-and how one unique family found blessings and simple pleasures on the road called life.
