Learn how to paint the ocean in all of its moods In this how-to-paint book, Irene

Lumgair invites you into her artistic world as she shows you how to re-create a variety of beautiful ocean paintings in oil. She explains her own approach to oil painting techniques as well as methods for creating special effects within a painting. As you explore her unique methods of developing a wet-into-wet painting, youAEll also learn how to create movement and action as you uncover important information about approaching different types of waves and perspectives. A wealth of beautiful ocean, wave, and seascape demonstrations make this book a welcome addition to any artistAEs library
