Offering over 26 designs, this follow-up to the popular "Faerie Lights" presents even more crafty opportunities for creating enchanting fairies. Each design is accompanied

by a pattern that can be exported for any craft that requires defined segments to indicate a change of colour or texture. Accompanying verses and full-colour examples provide inspiration for crafters who find creating their own designs a challenge. These designs are perfect for use with a range of crafts including quilting; applique; machine or hand embroidery; glass, silk, or china painting; and card-making or mosaicing.
