Georgia O’ Keeffe and Alfred Stieglitz Peter-Cornell Richter An illustrated portrait of a romance, partnership, and creative dialogue that continues to speak volumes today. Few creative alliances flourished as productively as that of the artist Georgia O’ Keeffe and the photographer Alfred Stieglitz. Author Peter-Cornell Richter examines the lives of these artists to reveal the roads they took together and independently. Alternating biographical chapters intertwine their stories. More than fifty exquisite reproductions of their paintings and photographs illustrate how the two artists inspired and influenced each other, producing masterpieces of lasting relevance.
