

Art Anatomy Simplified

[Art Anatomy Simplified_ 下载链接1](#)

著者:Charles Carlson

出版者:Dover Pubns

出版时间:2006-12

装帧:Pap

isbn:9780486452623

Trained in Chicago, New York, Munich, and Antwerp, Carlson brings a world of expertise to this direct and highly visual resource. Utilizing techniques first mastered by legends such as Leonardo da Vinci and Michelangelo, he stresses that figure drawing

must first start with a deep understanding of muscles and skeletal framework. This work features over 350 drawings.
