This full-color VISUAL guide is sure to draw a crowd Drawing appeals to all ages, doesn't require costly materials, and is a great creative outlet. This book shows readers how to draw objects and how to handle light, shadow, perspective, and texture. With an easy-to-follow, step-by-step, visual approach, it covers drawing a variety of subjects, including the human figure. Dean Fisher and Josephine Robinson (Milford, CT) teach drawing and painting at the prestigious Silvermine Guild Arts Center.
