

How to Draw the Head in Light and Shade

[How to Draw the Head in Light and Shade_ 下载链接1](#)

著者:Edward Renggli

出版者:Dover Pubns

出版时间:2007-6

装帧:Pap

isbn:9780486454429

This extremely useful guide features the human head in every conceivable pose and illumination, from bright light to gentle shade. Renggli offers dramatic drawings of all age groups—from children to senior citizens—and provides advice on proportion,

foreshortening, and other aspects of head construction. 75 illustrations.
