出版者:Prestel Publishing

出版时间:2003-10

装帧:Paperback

isbn:9783791329864

Paintings That Changed the World looks at ninety of history's greatest masterpieces to explain just what makes them great. Brief, informative essays examine each work from historic and cultural perspectives and offer intriguing observations and interesting anecdotes about the artists and their eras. Beautiful full-page, full-color reproductions

accompany each essay and additional illustrations shed light on how—and why—the paintings remain influential. This gorgeous volume is an indispensable and compelling introduction to the world of art.
