Savile Row has been home to some of the most exclusive tailors shops in the world for more than 200 years, creating one-of-a-kind bespoke suits for a very select clientele - Sir Winston Churchill, the English Royal Family, Fred Astaire, Cary Grant, Mick Jagger,

David Beckham, Madonna, Brad Pitt, and Pete Docherty, to name but a few. "The London Cut" is a richly illustrated volume that not only tells the story of more than two hundred years of undisputed elegance, but also the contemporary nature of a style that still represents the pinnacle of male haute couture.
