著者:Early, Frances H. (EDT)/ Kennedy, Kathleen (EDT)

出版者:Syracuse Univ Pr

出版时间:2003-4

装帧:Pap

isbn:9780815629894

Examines the complex and controversial relationships between feminism and violence as revealed in popular TV shows featuring women warriors. This book is unique in its critical inquiry into the new woman warrior's appropriation of violence and the Western war narrative. Informed by feminist theoretical debates regarding women's new roles, the authors delve into the meaning of that appropriation for alternative storytelling. To date, television's "ferocious few" have received little scholarly attention. By inviting a variety of perspectives, editors Frances Early and Kathleen Kennedy provide a cutting-edge forum to recognize women's increasing role in popular culture as they are cast as action heroes. As a timely and accessible work, this book will appeal to scholars, feminists, cultural critics, and the general reader.
