Drew Struzan's talent for capturing what is both human and heroic in the face of a movie character has made him the top Hollywood film campaign artist for the past 30 years. Struzan, the last of the great poster artists, according to The Boston Globe, has created the images for some of the biggest and most successful box office hits in cinematic history, including Indiana Jones and the Temple of Doom, Back to the

Future, the complete Star Wars series, E.T., Blade Runner, Rambo, Harry Potter and the Sorcerer's Stone, and Hook. This compilation of his cinematic art, accompanied by text explaining his particular vision of each character, features a foreword by the director George Lucas.
