The author of *An Actor Prepares to Live in New York City* has compiled a valuable resource for actors who come to the Big Apple seeking fame and fortune - or just a decent job. All aspects of the profession are thoroughly detailed. "There are two certainties in an actor's life: uncertainty and waiting. Craig Wroe's indispensable Bible makes both agonies far more bearable...and will help to steady the actor as he gets on and off the roller coaster." - Frank Langella
