Kids will be ready to go on the artistic ride of a lifetime with this easy-to-follow book

The 32 pages of this full-color, step-by-step guide show kids how to render the engaging characters from the upcoming Disney. Pixar movie Cars. Each new step is shown in blue, so kids know exactly what to draw next--and each lesson provides helpful tips from professional animators to make it even easier From Lighting McQueen to Sally and Doc Hudson, the characters in this book are the perfect source of inspiration for every aspiring artist.
