They have always been great for drawing, and now coloured pencils perfect for painting, too. They are convenient, neat, portable, economical, and forgiving. Today's pencils come in amazing new water-soluble versions, they are even more ideal for

beginning artists. Simply start drawing with a coloured pencil, and then add water to create a painting. It's amazing - and amazingly easy. DRAWING AND PAINTING WITH COLORED PENCILS starts building the reader's confidence by building basic drawing skills using simple subject matter. It proceeds to cover traditional coloured pencil techniques as well as tips on mastering the new water-soluble coloured pencils. From basic colour layering, burnishing, and lifting, to using water-soluble pencils to create beautiful floral and still life paintings, this book is full of great ideas and step-by-step inspiration.

内容太让我失望了～主要是我觉得我画得能比他好……

如果不喜欢复古画风，这里的花有点张狂
