

# Full-Color Sourcebook of French Fashion

[Full-Color Sourcebook of French Fashion\\_ 下载链接1](#)

著者:Pauquet Freres

出版者:Dover Pubns

出版时间:2003-8

装帧:Pap

isbn:9780486428383

500 years of French fashion are reproduced directly from a rare and valuable 19th-century publication. Artfully rendered illustrations progress chronologically from the voluminous robes of 15th-century royalty to the Empire styles of the Napoleonic

era. Members of the nobility are well represented, as are dapper pages, knights, chambermaids, milkmaids, and shepherdesses. 76 full-color plates.
