isbn:9780413736703

Ben Elton's plays in one volume for the first time Gaspings: "...an often hilarious satire on yuppiedom, advertising and corporate greed" (Daily Telegraph); "...the sharpest futuristic comedy since Henceforward, and the best Green comedy since The Good Life was young."(Financial Times). Silly Cow: "It has an ingenious plot...another perfect occasion for a Ben Elton satire on the modern world..." (Financial Times). Popcorn: "An enjoyable, intelligent, thought-provoking play" (Independent); "It thrills on stage precisely because it adopts the sick humour, sickening violence and downright sexiness of the Stone-Tarantino school of film-making that Elton is satirising" (Evening Standard).
