出版者:Cambridge University Press

出版时间:1998-1-28

装帧:Paperback

isbn:9780521498838

This is a collection of thirteen original essays from a team of leading scholars in the field. This wide-ranging volume covers Williams's works, from the early apprenticeship years through to his last play before his death in 1983, *Something Cloudy, Something Clear*. In addition to essays on the major plays, the contributors also consider selected minor plays, short stories, poems, and biographical concerns. The Companion to Tennessee Williams also features a bibliographic essay surveying the major critical statements on Williams.
