

Victorian Watercolours

[Victorian Watercolours_下载链接1](#)

著者:Newall, Christopher

出版者:Phaidon Inc Ltd

出版时间:1994-1

装帧:Pap

isbn:9780714828114

- The first general introduction to a popular medium in the Victorian era - the preferred form of expression for many artists

- Features full-colour masterworks by such major figures as Ruskin, Burne-Jones and Rossetti, along with many lesser-known but respected talents

- Analyses both the subject matter and the artists'--stylistic developments

- A valuable addition to the scholarship on Victorian art
