isbn:9781561634224

The second art book by Kevin J. Taylor, creator, writer, and artist of such books as "Model By Day," "Fang," "Girl" and currently, "Girl-The Second Coming." This art book premieres mostly unpublished works done mainly for himself, and a few commissioned works. Inside are paintings inspired by celebrities, supermodels, and...panties. You'll be amazed at how much sharper his paintings have become
