著者:Ozawa, Tadashi

出版者:Diamond Comic Distributors

出版时间:2005-9

装帧:Pap

isbn:9781569709382

From aesthetic subtleties to the slapstick, the heart and soul of manga lies in unique character representation through physiques and expressions. Tadashi Ozawa, the author of the best-selling How to Draw Anime & Game Characters series kicks off instruction with the basics and intricacies of properly proportioned and stylistically deformed characters. Ozawa then focuses on the creation of an entire range of facial expressions, from a slightly lifted eyebrow of doubt to a river of tears, exploring both the nuance and comedy exclusive to manga.
