著者:Dobie, Jeanne

出版者:St Martins Pr

出版时间:2000-4

装帧:Pap

isbn:9780823029921

Through easy-to-follow exercises, this manual seeks to stimulate new ways to think about colour, generating responses that unlock personal creativity and allowing artists to express themselves with paint as never before. Readers are shown how the interplay

of complementary hues can trigger vibrations; how the push and pull of warm and cool colours can create a feeling of space; how to disguise one colour in a scene to accent another; and many more tips.
