- More than 60 new monologs that spotlight special abilities
- Great for auditions as well as classrooms and scene study

Versatile actors can now set themselves apart from the competition! This collection of more than sixty fresh, serious, and comic pieces allows actors to show off their talents for stage dialects, tap dancing, singing, skateboarding, miming, baton twirling, and much more. Each monolog in *Original Monologs That Showcase Your Talent* is designed to show off a different specific vocal and physical gift. Thirty three-to-five-minute monologs plus thirty-three one-minute monologs, each one complete with synopses, character profiles, and prop lists, make this a great asset for actors and teachers.
