"From its opening pages, in which she recounts her own premature birth, triggered by terrifying rumors of an incipient pogrom, Bernstein's tale is clearly not a typical memoir of the Holocaust. She was born into a large family in rural Romania...and grew up feisty and willing to fight back physically against anti-Semitism from other schoolchildren. She defied her father's orders to turn down a scholarship that took her to Bucharest, and got herself expelled from that school when she responded to a priest/teacher's vicious diatribe against the Jews by hurling a bottle of ink at him...After a series of incidents that ranged from dramatic escapes to a year in a forced labor detachment, Sara ended up in Ravensbruck, a women's concentration camp, [and] managed to

survive...she tells this story with style and power." - Kirkus Reviews

"There are many recent accounts of Holocaust victims, but this work stands alone as a testimony to personal strength and an independent spirit." - Library Journal

"Extraordinary." - Booklist

"An engrossing history lesson as well as an important archive." -Faye Kellerman

"Well-told...deserves a prominent place in the archive of Holocaust survival stories." - Publishers Weekly

"One of the best of the recent wave of Holocaust memoirs" (Kirkus Reviews)
