isbn:9780375708046

Now a major motion picture directed by Stanley Tucci and starring Ian Holm, Hope Davis, Isabella Rossellini, and Glenn Close.

Joseph Mitchell was a legendary New Yorker writer and the author of the national bestseller *Up in the Old Hotel*, in which these two pieces appeared. What Joseph Mitchell wrote about, principally, was New York. In *Joe Gould*, Mitchell found the perfect subject. And *Joe Gould's Secret* has become a legendary piece of New York history.

Joe Gould may have been the quintessential Greenwich Village bohemian. In 1916, he left behind patrician roots for a scrappy, hand-to-mouth existence: he wore ragtag clothes, slept in Bowery flophouses, and mooched food, drinks, and money off of friends and strangers. Thus he was able to devote his energies to writing "*An Oral History of Our Time*," which Gould said would constitute "the informal history of the shirt-sleeved multitude." But when Joe Gould died in 1957, the manuscript could not be found. Where had he hidden it? This is *Joe Gould's Secret*.

"[Mitchell is] one of our finest journalists."--Dawn Powell, *The Washington Post*

"What people say is history--Joe Gould was right about that-- and history, when recorded by Mitchell, is literature."-- *The New Criterion*
