出版时间:1994-01-25

装帧:Paperback

isbn:9780924486739

After their 43-foot schooner was stove in by a pod of killer whales, the six members of the Robertson family spent 37 days adrift in the Pacific. With no maps, compass, or navigational instruments, and rations for only three days, they used every survival technique they could as they battled 20-foot waves, marauding sharks, thirst, starvation, and exhaustion.
