装帧:Hardcover

isbn:9780500512388

A captivating visual biography of the first modern celebrity, told through his own

photographs, desert paintings, drawings and ephemera, all supported by quotations from his own mesmerizing first-hand account of his experiences. Published to accompany a major exhibition at Londons Imperial War Museum opening in October 2005, this lavishly illustrated book takes us inside the mind of a man of extraordinary energy, ability and charisma.
