Meet the men who, for decades, have ruled the football terraces. They are the faces behind the biggest firms in football history; behind the rucks, the rules, and the respect. In this groundbreaking book, the men behind the mobs have joined forces to reveal their experiences as key figures in the most notorious terrace fights. From the bower boys of the sixties and seventies to the football casuals of the eighties, the names central to the biggest firms have all been tracked down and interviewed. They tell their stories in this book.
