Whether giving back through her patriotism and community service, touring with Fleetwood Mac or performing as a solo artist, Stevie Nicks has mesmerised us for over thirty years. Her life story, with all its highs and lows, provides an opportunity to grow from her tremendous strength, persistence and courage while learning from the challenges she has faced. A widely revered singer/songwriter, Stevie is adored by multiple generations. Interpretation of her songs gives you a look inside her soul but 'not unless she lets you.' On 'Stand Back' from The Wild Heart, Stevie's second solo album she sings, 'No one knows how I feel what I say unless you read between my lines'. Her highly personal songwriting tells the story. Stevie's autobiographical songs serve as an outlet for coping with pain and personal sacrifice. Fans have credited her with literally saving their lives!
