When Consuelo Vanderbilt's grandfather died, he was the richest man in America. Her father soon started to spend the family fortune, enthusiastically supported by Consuelo's mother, Alva, who was determined to take the family to the top of New York society—forcing a heartbroken Consuelo into a marriage she did not want with the underfunded Duke of Marlborough. But the story of Consuelo and Alva is more than a tale of enterprising social ambition, Gilded Age glamour, and the emptiness of wealth. It is a fascinating account of two extraordinary women who struggled to break free from the world into which they were born—a world of materialistic concerns and shallow elitism in which females were voiceless and powerless—and of their lifelong dedication to noble and dangerous causes and the battle for women's rights.

评论

绝好的题材，被作者给毁了。这是自传，还是女权主义论文？作者貌似还是更适合写纪录片脚本，镀金时代的影像还可以弥补脚本的不足。因为对这本书的糟糕印象，不会再看她其它作品了。
