isbn:9780471773825

The first Polish Pope, John Paul II, was a thinker and a leader whose religious convictions defined a new approach toward world politics—and changed the course of history. When he died on April 2, 2005, millions around the world mourned his passing. No other person in recent history has had such a tremendous display of respect and

honor. The fact that so many non-Catholics honored this man attests to his effect on the world—and not just within his own religion. Now, you can get to know the man behind the papacy and appreciate his remarkable achievements. John Paul II For Dummies is a friendly, plain-English guide to the life and legacy of one of the world's most beloved religious leaders. You'll discover: The Pope's influences His personal struggles How he impacted the Church His approach to world politics The ways he spread his message
