Jacqueline Bouvier, Ethel Skakel, Joan Bennett. Three women who married into America's royal family and became forever linked in legend. Set against the panorama of explosive American history, this unique story offers a rarelyseen look at the relationship shared among the three women - during the Camelot years and beyond. Whether dealing with their husbands blatant infidelities, stumping for their many political campaigns, touring the world to promote their family's legacy, raising their children, or confronting death, the Kennedy wives did it all with grace, style and

dignity.
