"A visually exciting look into the world of French Art Deco textile designs.....Highly recommended."— Library Journal

The 1920s and 1930s were a time of great social and cultural upheaval, as well as a period of immense creativity in all artistic fields. The decorative arts experienced a boom that was to shape the lifestyles of a generation, and French artists and designers found themselves at the center of these developments. Whether following the elitist decorative trends of Ruhlmann and Süe, or the more egalitarian, functionalist movement led by Le Corbusier, the worlds of interior decoration and fashion went through radical changes that were both influenced by and reflected in the textiles of the day.

This is an invitation to discover the spectacular world of French Art Deco textiles. Hundreds of full-color photographs bring to life the age when craftsmanship and industry worked side by side: Lyons silk and the first artificial fibers, carved wooden printing blocks and huge multiple-cylinder rotary presses, indigo and madder and aniline and alizarin dyes, tradition and progress. By turns sumptuous or minimalist, featuring extravagant floral patterns or simple arrangements of shapes and colors,

timelessly classic or celebrating the most recent triumphs of contemporary life, these fabrics will provide endless inspiration to designers and collectors. 316 color illustrations.

之前差点错过了这本，幸好朋友看过给我再次推荐了下。对于我现在在做的跨地域研究中西Art Deco织物纹样的异同很有帮助。
