isbn:9780495006657

This workbook gives art students practical advice on effective ways to make the transition from high school to college. Sixteen exercises provide information on a wide range of topics, including active learning, critique strategies, idea development, and preparing a portfolio. Inspirational Success Strategies interviews provide insight into

the day-to-day realities of various art and design professions. Other features include a special section on writing about art and a series of essays on various art and design majors.
