Paris, the City of Light-its beauty and romance are matched only by its cultural riches. This stunningly illustrated book offers, in one definitive volume, the entire history of Paris's art and architecture, from the Gothic magnificence of Notre Dame with its renowned stained glass, to the engineering marvel of the Eiffel Tower, to the endlessly popular paintings of the French Impressionists, housed in the former train station now known as the Musée d'Orsay. In more than 800 color photographs and 720 pages, this book leaves no doubt as to why Paris is one of the most visited tourist destinations in the world. Paris, City of Art reveals the myriad treasures its artists and architects have created during the city's long and illustrious history, from the soaring cathedrals and the extravagant royal residences of Versailles and the Louvre (today one of the most important museums in the world) to the paintings of such neoclassical masters as

Jacques Louis-David and such modern revolutionaries as Cézanne, Matisse, and Picasso. This deluxe, oversize volume is sure to appeal to every art lover, every Francophile, and every Parisian at heart.
