著者:Potter, J. K. 绘

出版者:Penguin USA

出版时间:1996-10

装帧:Pap

isbn:9780879516871

Combining art and photography, Potter creates stunning effects--an intensely dark and psychoogical vision that is as horrifying as it is beautiful. Fantasy, obsession and nightmare hold a strong place in Potter's art as he explores the relationship of the body to our deepest obsessions and fears. 110 full-color illustrations.
