出版者:Johns Hopkins Univ Pr

出版时间:1995-6

装帧:Pap

isbn:9780801849985

The volume pays special attention to the impact of the Communist legacies on four areas: politics, society, the economy, and the environment. The book is divided into two parts: Part 1 looks at these issue areas from a regional perspective; Part 2 focuses on these problems within each of the East European states.
