A supplement for courses in Introduction to Criminal Justice, Senior Seminar in Criminal Justice, or any other Criminal Justice course. This convenient, exceptionally

up-to-date, information-packed guide is designed specifically to meet the needs of criminal justice students who will soon be entering the job market. It brings together, in one convenient place, information from the United States Bureau of Labor Statistics (BLS) on the full spectrum of criminal justice and public safety occupations. Specifically, it adapts and edits information from the massive Bureau of Labor Statistics' 2000-2001 Occupational Outlook Handbook into a more accessible, workable format that students can use as they prepare for and enter their job searches.
