著者:Sara Diamond.

出版者:Guilford Press

出版时间:1995-11-2

装帧:Paperback

isbn:9780898628647

Providing insight into today's headlines and tomorrow's news stories, Roads to Dominion offers a compelling look at the history of right-wing movements. Based on extensive research on organizations large and small, author Diamond traces the development of four types of right-wing movements over the past 50 years and provides an astute historical analysis of each.
