A United Nations insider exposes the ugly truth about the UN—including how UN organizations have been funding terrorist groups!

In the New York Times bestseller *Tower of Babble*, former United Nations ambassador Dore Gold blows the lid off the UN’s shocking failures to keep international peace, its corruption, its rampant anti-Americanism, and its emboldening of terrorist organizations. Citing previously unpublished documents, a brand-new chapter exclusive to this paperback edition provides the untold story of the infamous oil-for-food scandal—including the real scandal, that the UN let oil-for-food money go to fund terrorist organizations.
