著者:Robert Spencer

出版者:Regnery Publishing

出版时间:2007-7-17

装帧:Paperback

isbn:9781596985285

In this startling new book, New York Times bestselling author Robert Spencer, provides a warts-and-all portrait of the Prophet of Islam and draws out what his life implies for reforming Islam and repulsing Islamic terrorists. Spencer relies solely on primary sources considered reliable by Muslims and evaluates modern biographies to show how Muhammad has been changed for Western audiences, lulling them into consoling but false conclusions.
