装帧:Paperback

isbn:9780415362337

The United States is currently focused on the threat from Islamist terrorism but before the terrible events of 9/11, the worst terrorist atrocity on US soil was the 1995 Oklahoma City bombing which was carried out by home grown American extremists. The extreme right are still militant and dangerous in the US. "White Rage" is an excellent survey of the state of the contemporary extreme right in the United States. It explores the full panoply of extremist groups from the remnants of the Ku Klux Klan to skinhead groups and from the militia groups to anti-abortion extremists. This book will be of interest to students and scholars of American politics, conservatism, and political philosophy.

作者介绍:

Martin Durham is Senior Lecturer in Politics at the University of Wolverhampton, UK. He has written extensively on right-wing politics in Europe and America. Among his publications are Women and Fascism (Routledge, 1998).
