著者:Susan Marks

出版者:Oxford University Press, USA

出版时间:2005-08-11

装帧:Paperback

isbn:9780198764137

This book presents a wide-ranging survey of the scope and significance of international human rights law. Arranged thematically in alphabetical format, it side-steps the traditional categories of human rights law, to investigate rights in the specific contexts in which they are invoked, debated, and considered. This book is an informative and accessible guide to key issues confronting international human rights law today.
