The book that started it all! Ann Coulter's High Crimes and Misdemeanors: The Case Against Bill Clinton. Written with Coulter's trademark irreverent wit, the bestselling High Crimes and Misdemeanors is available for the first time in paperback. Readers of Ann Coulter's bestselling Slander will love High Crimes and Misdemeanors. In this New York Times bestseller, Coulter mercilessly pillories Clinton and examines the abuses and excesses of Bill Clinton point by point. She also shreds every conceivable defense the Clintons to bits as she probes the major Clinton scandals, including Monica, Filegate, the China connection, the travel office snafu, and the fundraising fiascos. And Coulter does it all in her own inimitable style.
